ALFRED ROBINSON, Trustee. No. 120 SUTTER STREET SAN FRANCISCO.

LAND FOR SALE IN LOTS TO SUIT.

Suitable for the culture of oranges, lemons, limes, figs. almonds, walnuts, peaches, apples, pears, alfalfa, corn, rye, barley, wheat and oats; fiax, ramie, cotton, grapes.

Also many thousand acres of natural evergreen pasture, suitable for dairying. Good water is abundant at an average depth of six feet from the surface. On almost every acre of this land flowing artesian wells can be obtained, and the more elevated portions can be irrigated by the water of the Santa Ana river. Most of these lands are naturally moist, requiring only good cultivation to produce crops.

TERMS—One-fourth cash, balance in one, two, or three years, with fen per cent. interest, I take pleasure in showing these lands to parties seeking land, who are invited to come and see this extensive tract before purchasing elsewhere.

R. J. NORTHAM, Anaheim, Los Angelés County.

**AMERICAN** 

Good Soil! Abundance of Water! Beautiful Location! Delightful Climate!

Magnificent Beach The land is sold in tracts of from 5 to 40 acres, with perpetual water right, at from \$50 to \$75 per acre. The water is now being placed in Iron Pipe on all parts of the land.

Willmore City! The most beautiful SEASIDE RESORT in outhern California. Desirable lots for sal-

Opposite the
feb24-1m but Controller Dunn admitted that important arrests were to be made. The portant arrests were to be made. The reporter said he had been told that they would overshadow the importance of the arrest of Gray, and that people, when they heard of them, would "forget all about Gray." Dunn said he did not think they would, from a financial point of view. "From a social or political stand-point?" was asked. "Well," said Dunn, "that may be, but of course as no arrest. said he did not think they would, from a financial point of view.

"From a social or political standpoint?" was asked. "Well," said Dunn, "that may be, but of course, as no arrests have yet been made, it would be manifestly improper for me to mention any names, and so give warning of our intentions. In Gray's case it was impossible to lay a foundation for a charge without exciting his suspicions, and so giving him warning, but in this case no warning need be given." "When will standard the first of July. The new bill then becoming the law prohibits the killing of doves until the first of July. > charge, which is based on a technicality. It is understood that other arrests of officials will follow. W. H. Crane, register of the Susanville landoffice, and formerly State Senator from Lassen county, has been brought here under arrest by the United States Marshal, charged with uttering forged re-ceipts from settlers and appropriating public moneys to his own uses. Crane says he can satisfactorily explain the

SECRETARY TO THE HARBOR COMMISSION San Francisco, March 21 .- H. L. Wadsworth was to-day elected Secretary of the Harbor Commission, vice Gray, absconded. The selection gives general satisfaction. He came here with Stevenson's regiment, made and lost a million in stocks, and was at one time Sec retary of the Gould and Curry.

CINCINATI, March 21.—At Byer's Station, Ohio, the house of Duncan moving the bodies on Sunday. A fence Dales, a mile north of here, was burned Monday night. Dales, who is 96 years old, occupied the house alone. When the fire partly subsided the neighbors found the dead body of Dales under the bed, with a rope around his neck. This not being his usual bed-room, it is thought he was strangled by robbers and hidden under the bed. Then the house was fired. Considerable gold and silver oin and some melted money was found

in the ashes. He had a large amount of money about the house and leaves a IN THE MOLTEN METAL. CLEVELAND, Ohio, March 21 .- In con equence of an accident to a hydraulic apparatus in the Cleveland Rolling Mills Company's Bessemer Steel Works a huge converter, containing several tons of melted metal, overturned this morning, spilling the contents into the interrupted. pit. On striking the sand it exploded with violence and scattered, fatally burning Patrick Foley and another workman, who is so distigured as not to

gone to Washington to train for a race with Kennedy. Neighborhood News,

Congressman Sumner has nominated Luis Bettner, of Riverside, son of James The trial of Mrs. Lucy Tutaine, for attempting to week the train of the S. P. R. R. near Banning about three months ago, was commenced this morning in the Superior Court before a jury of twelve. Mrs. Tutaine appeared in court, looking considerably worse for her close confinement lately. A whole swarm of witnesses are in from the vicinity of Banning. This afternoon Messrs. Gibson and Holton, attorneys for W. J. Tutaine on the charge of train-wrecking before the United States Courts, wishing to inter-

Orange Items.

ORANGE, March 21.—On Monday after-toon last a party of four of our young teering to defend them in their vilnoon last a party of four of our young men of Good Templar persuasion, charered Hamilton's hack and took a "spin." They first took aboard a good supply of calico and beauty in the vicinity of Orange and then drove to Santa Ana. When they alighted on the streets of that suburb feeling toward the railroad suggest no they were not in the least abashed by the cure for the evils complained of. Our ondering gaze of the astonished natives, but walked boldly into Judge Humphrey's office. The citizens very naturally supposed that the Judge's pockets were soon to be filled with mar-riage fees, and immediately telegraphed the news to Orange. Your correspondent being of an inquiring turn of mind, re-solved to interview them on their return and obtain the particulars. Accordingly, and obtain the particulars. Accordingly, as soon as the young men put in an appearance in their native land, we besieged one of them and asked him how many were married. You can imagine who felt "sold" when he replied that nobody was: married, and that they only went before a notary public to attest to the articles of incorporation of the Good Templars' Lodge.

The ladies of the M. E. Church held their regular semi-monthly social on Fri-day, the 16th inst., at the residence of J. B. Parker. There was a large attendance and all pronounced it one of the best so-cial events of the season. There is to be a young folks' social this evening at the residence of Mr. Love. The

of the playing there, is driving round the playing there, is driving round the playing the play m), known as "Passion's Slave." Its principal advertisement now rests on what is called the "Stevens kiss." We used to witness a celebrated osculatory salutation by Rignold as Henry V., the fame of which went all over the country. Stevens has outdone the 'Henry V. kiss." He comes up behind the heroine (who is seated), draws her head over backwards, and lacing his mouth to her's, remains in that attitude until the audience gasps tor breath in sympathy with his supposed suspended respiration. During the two and a half to three minutes in which he is engaged he m y be said to rival the manner in which a wet leather disc will cling to a brick. Meanwhile the girl exhibited all the animation of the Indian maiden usually found in front of a cigar store. Stevens's wife used to play this part.

After she was divorced she had the oad taste to sit in a favorite box the act with her successor in the company Miss Ellie Wilton. There are a great many kinds of tastes, you know. Then there is Fred de Beliville, who has just had his marital woes venti-

next night and watch him do the Kiss Poultry young Geese, each .... 1 00.41 50 He married in England, deserted his wife because he found she could not read or write, went to Australia and met in a restaurant there a young woman who permitted him to accompany her home. She has, until recently, lived with him and been in-troduced to de Bellville's friends as his Blackberries wife. He has long been a member of the Union Square Company and the woman was known to all the members as Mrs. de B. Suddenly, a few 1 00 months since, he dropped his supposed wife and married Miss Ellie Pferdner, of the Germania Theater Company, a Lemons. Limes, & M.... Mrs. de B. sued for divorce and alimony. De B. claimed she had lived with him in another capacity than wife, voluntarily. New York law your voluntarily. New York law your beautiful and the state of th voluntarily New York law, you Pelts know, makes a woman one's wife if she is introduced and treated as such, providing, of course, one is not mar-ried already. D. B. sand he couldn't have married this woman, as he was al-ready supplied with a wife whom he left in England. He showed an "Arkansas divorce" (\$250 each—call on essrs. Blank & Blank, attorneys, Dash St., N. Y.) from the English wife, procured last spring. The upright judge, however, set this divorce aside, recommended the attorneys who Hams: Sugar-cured... Plain.... procured it to the tender mercies of the Grand Jury, and declared that as there was no evidence before the court

there was no evidence before the court to show the existence of any English wite, that Mrs. de B., the plaintiff, is Mrs. de B. in fact. This leaves the "wife" who was Pferdner in a tough place. Verily the Mining Stocks whole business is outrageous. DeBelleville who takes high rank as an actor

A Common-Sense Remedy.

SALICYLICA No more Rheumatism, Gout or

Neuralgia! Immediate Relief Warranted! Permanent Cure Guaranteed!

WHIPPLE BARRACKS, PRESCOTT, A. T.,

SEALED PROPOSALS, in triplicate, subject to the usual conditions, will be received at this office, until 12 o'clock, noon, on Friday, April 20, 1883, at which time and place they will be opened in the presence of bidders, for furnishing and delivery of Military Supplies, during the fiscal year commencing on the 1st day of July, 1883, and ending on the 3oth day of June, 1884, as follows:

FUEL—Hard and Soft Wood, Charcoal and Bituminous Coal; FORAGE—Barley or Oats, Bran, Corn and Hay; STRAW—(or Hay) for bedding, or such of said supplies as may be required at Fort Apache, Fort Bowie, Fort Grant, Fort Huschucs, Fort Lowell, Fort McDawell, F Five years established and never known to fail a a single case, acute or chronic. Refer to all rominent physicians and druggists for the standing of Salicylica.

SECRET! The only dissolver of the poisonous uric acid which exists in the blood of rheu-

sa C. R. P. The oney dissolver of the poissonous wric acid which exists in the blood of rheumatic and you's patients.

SALICYLICA is known as a commonstructure of the poisson of the strikes directly at the cause of Rheumatism, Gout and Neuralgia, while so many so-called specifics and supposed panaceas only treat locally the effects.

It has been conceded by eminent scientists that outward applications, such as rubbing with oils, ointments, liniments and soothing lotions will not eradicate these diseases, which are the result of the poisson of the blood with Uric Acid.

SALICYLICA works with marvelous effect on this acid, and so removes the disorder. It is now exclusively used by all celebrated physicians of America and Europe. Highest Medical Academy of Paris reports 95 per cent. cures in three days.

REMEMBER that SALICYLICA

man, and quite intelligent. HAY'S STORY.

John Collins, the storekeeper at Santa Dr. Riley's office while he was dressing saying that the Anita, was yesterday examined on a Mr. Hay's wound, and sought to interest, we should more, a gentleman of color, who for some one shooting him. When asked who the combustible matter. For literary style and able editorials see the Express. did not know, and inquired if any one had been arrested. The reporter informed him that Miss Barrow had been arrested,

had but little to say, and expressed the opinion that it was a job put up on him, which would soon come out. He was perfectly cool over the matter, treating it very lightly, as if it was but of little consequence. He took off his hat to show where the ball entered and remarked. "That was a pretty close call, wasn't it?" as he thrust his finger through the holes made. The ball, by the way, entered the hat, a soft one, under the rim just at the very inner edge, tore through it upward. For extreme Traceday at two consequences of the continuous content of the way have been supported by the way have been supported by
